At 9:45- 10:45 AM

In Knights Hall at St Joan of Arc's Rectory

Art Goes to School is an art enrichment and appreciation program sponsored by your schools' PTA/PTOs and Board of Education of Evesham Township School District. Each year, AGTS receives a portfolio of prints representing art from a variety of countries, cultures, time periods, and styles.

****Do you have to know anything about art or have teaching experience? NOT AT ALL!!***

AGTS volunteers help each other learn about the prints. Together we discuss ways to present the prints to the students in fun and interesting ways. As a new volunteer you will have a lot of support and will "buddy" with a veteran member.
