Founded in 2020, Inspiring Life Together Inc. is a 501(c)(3) public charity with a mission to provide practical goods and services to women and their families while they are undergoing treatment for breast cancer. Spring Williams, a South Jersey resident, founded and modeled the organization based upon the outpouring of support she and her family received during her battle with breast cancer from 2019-2020. We aim to provide services that help alleviate some of the day-to-day burdens so families can focus on their loved one and their recovery.

Breast cancer rates have increased in women under the age 40. ILT accepts up to 12 diagnosed mothers residing in South Jersey, and follows her and her family for 12 months. We provide care boxes for chemotherapy, radiation, and surgery, which include items to relieve discomfort throughout each stage of treatment. We also offer options for products such as groceries and toiletries, and services such as lawn care, and house cleaning. Throughout their time with us, families will also receive milestone gifts and cards for special occasions, such as birthdays and holidays, monthly calls from our volunteers, and invitations to virtual and in person social gatherings to connect with current and previous households.

Here are some ways to support local moms and families for Breast Cancer Awareness Month this year.

1) Participate in options listed on ILT's Ways to Give tab on their website. There are options for donations as well as opportunities for youth to volunteer in exchange for community service hours.

2) Attend the Comedy Show Fundraiser at the Moorestown Community House on 10/2 from 2-5pm.

While scientists find a cure, we commit to helping local moms and families survive each day.

Sincerely,

Spring Williams
Founder & President
