Evesham Child Care (ECC) Fall 2020 Child Care Options

In order to assist families as the Evesham Township School District opens in September for in-person learning at all K-8 schools, Evesham Child Care has revised our programs to be aligned to all health and safety practices that the school district is following and expanded our child care options during these unprecedented times. Children participating in ECC will be required to wear a mask and will have temperature checks upon arrival. All families are asked to self-assess your child prior to leaving your home each morning, and if he/she is exhibiting any of the following symptoms, stay home!

Fever (must be less than 100.4)	Muscle Pain	New loss of taste or smell
Coughing	Sore Throat	Headache
Chills	Diarrhea	Congestion or runny nose
Nausea or vomiting	Shortness of Breath or Difficulty Breathing	

Families selecting the hybrid learning model will be provided a cohort assignment, A or B, on Thursday, August 20th. Therefore, registration for ECC will begin on August 20th ~~and end on August 30th~~. Please be aware that, due to social distancing requirements, space is limited and registrations will be accepted on a first-come, first-served basis. Once all spaces are full at a particular site, a wait list will be created. ~~To be able to begin ECC on the first day of school, no registrations will be accepted after August 30, 2020.~~ All registrations must be completed online through our secure Parent Portal that can be accessed through the ETSD website by clicking on the link below:

https://www.evesham.k12.nj.us/departments/evesham_child_care/ecc_before_and_after_school_program

- If you are a returning ECC family and already have an account, use your current parent portal information to register your child (on the registration tab).
- If you are a new family to ECC, use the registration for new families link from the website.
- If you are choosing to use Before and After Care and Remote Learning Care, you have to register for both. Please note that you will only be charged one registration fee of \$35.

Before and After School Care

This is our traditional ECC program and will only be available for the days your child is scheduled for in-person instruction and is located at your child's school. A one or two days per week fixed schedule is available.

Hours: AM Care = 7am - Start of School: PM Care = Dismissal of School until 6pm

Cost: AM = \$71/month for 2 days per week or \$55/month for 1 day per week

PM = \$94/month for 2 days per week or \$69/month for 1 day per week

To register for Before and After Care, click on Fixed Schedule and select Before and After Care separately when registering. Make sure to choose the correct school. Once you choose your days (e.g. Monday and Tuesday), your child will be registered for every Monday and Tuesday for the school year.

Full-Day Remote Learning Care

This new feature of ECC has been added to assist families on the days when their child's cohort is not assigned to be in school and/or on Remote Learning Wednesdays. This will be held at your child's school. On these days, children will be able to "plug in" and work remotely with supervision from the ECC staff, with scheduled breaks and outdoor play (weather permitting), throughout the day. In addition, socially distanced activities will be planned by the ECC staff during Before and After Care hours. As with any ECC day, parents are responsible for dropping off and picking up their child. Lunch, snacks, water, and any remote learning supplies should be sent in with your child.

Hours: 7am - 6pm

Cost: \$45 per day

Remote Learning Care: This option is located on the registration link. Once registered for this option, you will select the days you need each month through the parent-managed calendar. You will find the calendar through your Daycare Works parent portal under the Scheduling tab. The calendars will be available from the 1st through 20th of each month (*with the exception of August) for the following month of service. Once the calendar closes each month, you will no longer be able to schedule your child. We need time to prepare for each month.

For more information on ECC policies and procedures and ETSD reopening plans, please see the links below:
